

Working Student for Finance & Performance

New role based out of our Cologne office - start asap - 15h per week

Capnamic Ventures is looking for a Working Student role in Finance & Performance. Based out of our office in Cologne (Germany) you should be available soon (start-date is as soon as possible) and have at least 6 months of time for a 15h/week employment in a dynamic team. Read below what you are up to and what we expect from your profile:

You will...

- support us in Fund Reporting.
- help to manage and improve general Accounting and Controlling processes.
- enable us to automate relevant actions on a solid data-basis.
- be responsible to boost our Business and Portfolio Intelligence.
- run benchmarking analyses for our portfolio.

You are...

- passionate about Finance as well as Venture Capital.
- data-driven, skilled in MS Excel and fluent in German and English.
- a team player, who wants to have a lot of responsibility from day one in a great team.
- currently finishing your Bachelor's or Master's degree in business (*focus on Accounting, Controlling or Finance is a plus*).
- a hands-on person and ideally have experience in Accounting/Controlling (*previous experience in a relevant sector is a plus*).
- available for at least 6 months.

We look forward to receiving your application at join@capnamic.com. This should contain your availability, CV and references to relevant experiences.

About us:

Capnamic Ventures is one of Europe's leading early-stage Venture Capital firms, with offices in Berlin and Cologne. The VC invests most of its funds in tech startups in the German-speaking region. Capnamic also joins forces with international co-investors. All portfolio companies are supported through Capnamic's global network of investors and industry partners. The vast expertise of the Capnamic team includes more than 70 investments, a high turnover of successful trade sales and IPOs, as well as a strong entrepreneurial track record within the investment team.
